**Community Driven Streaming & Digital Ministry in the Time of COVID-19**  
Updated 12/29/20

The following is a list of equipment that we ordered for each of the 11 rural congregation installations. Substitutions could be made for many of the items, but this is what worked best for our purposes.

Item	Description & Ordering Information
Mevo Start camera	<p>This camera is designed be used with a cellphone (Android or iOS) to livestream directly without needing any other specialized software and is easy to use. With the accompanying app, you can live edit your broadcast from your phone. Users can share their livestreams to major streaming providers like Facebook, Twitch, YouTube, Twitter, LinkedIn, and NDI. The camera comes with three digital mics to ensure quality sound recordings at all times. It can be mounted on conventional mic stands or tripods.</p> <p>NOTE: As a promotion, the camera came with a 128GB micro-SD memory card. See item below if the SD card needs to be ordered separately.</p> <p><a href="https://www.bhphotovideo.com/c/product/1547920-REG/mevo_mv3_01b_bl_start_camera.html">https://www.bhphotovideo.com/c/product/1547920-REG/mevo_mv3_01b_bl_start_camera.html</a></p>
